### Rules and regulations

- Qualification is based on the annualized premium of new business paid between April 1, 2023 and March 31, 2024.
- Qualification premium is considered when the policies are activated (paid) within the qualification period regardless of the effective date.
- The inclusion and exclusion of members from corporate groups that occur within the first year of agreement and activation of the group will also be considered as production to qualify for these experiences.
- Taxes are not included in the premium calculation and will not count for the qualification.
- Qualified Agents must be at least 18 years old.
- The experiences in this program include a round trip on economy class airfare from the qualified participant's country of residence to the destination on the scheduled arrival and departure dates, based on the standard rates approved by Now Health International.
- The qualification only includes the costs specified in the official program for each experience, which will be published soon.
- Participants are responsible for any other expenses not included in the program.
- Qualifications are not transferable to other people, nor can they be exchanged for their monetary value. They are only valid for the 2024 World Champions Tour program.
- Qualifications are valid only for Agencies / Agents / MGAs / Brokers with a contract in force with Now Health International.
- Qualification criteria and sales targets are calculated in US dollars.
- Now Health reserves the right to change or clarify any of the criteria, Rules and Regulations of the program at any time.
- To qualify for both events you will need to achieve both targets separately (USD 600,000 for Paris Olympics plus an additional USD 150,000 for Madrid Open).
- New business refers to new Individual and Family and SME (3-99 employee) business to Now Health International. Existing Now Health International clients transferred from another intermediary and/or any group leaver transferring from an existing Now Health International group plan will not be eligible for this offer.
- Your participation in this offer is on the basis that you will act and continue to act in accordance with your regulatory obligations as an agent or broker, and any advice you provide will be in the best interest of your client having regard to their specific needs.
- A maximum of three employees from each licensed intermediary may qualify for the Madrid event and a maximum of 1 employee from each licensed intermediary may qualify for the Olympic event.
- To qualify for the Madrid Open, if your qualification is achieved by SME groups only you must place at least 2 SME groups.
- For Paris Olympics, if your qualification is achieved by SME groups only you must place at least 3 SME groups.
